TELL Mass Solutions Plan

Group Norms:

- 1) Share ideas, lessons, student work, and projects equally while capitalizing on each other's strengths
- 2) Exhibit flexibility, with an open mind, in all aspects of scheduling, working as a team, and decision-making.
- 3) Maintain positive tone to meetings while remaining on task and following agenda
- 4) Contribute to discussion respectfully.

Solutions for Time:

1. Maintain smaller class sizes in the lower grades, where possible and not at the expense of the upper grades.
2. Most Building Based meetings will be given back to teachers where they can set their own grade level agenda. Some meetings with an administrative agenda may need to occur to discuss the new Supervision and Evaluation procedures.
 - a. Every 6 weeks, grade level meetings will occur in-house during the school day to discuss student progress in Math and ELA
3. Faculty Meetings will be used as a forum for building-based conversations with a focus on curriculum and instruction.
 - a. When staff members would like to contribute items to the agenda, they can provide Sharon with input prior to the meeting.
4. Where possible, continue to maintain common planning time across a grade level.
5. Where possible, continue to protect teachers from duties during the school day.

6. Give more Professional Development and training to support teachers in meeting the diverse needs of our students throughout the school.
 - a. Allow for opportunities for re-training where teachers feel they need a “refresher”.

Solutions for School Leadership:

- 1) Shared vision statement/core values should be discussed with faculty and staff at faculty meeting.
- 2) Continue to implement and practice using shared norms created through staff input.
- 3) Continue to provide more opportunities for structured 2-way dialogue using protocol.
- 4) Teachers will receive more specific, timely communication from Sharon through the new supervision and evaluation process.
- 5) Curriculum specialists and mental health will continue to support and coach teachers' when needed.
- 6) SIT minutes should be taken and made available to staff.
- 7) Continue to provide the opportunity for voluntarily attending SIT and make known to staff.
- 8) Staff can volunteer and suggest topics for SIT.
- 9) Consider creating a committee for facilitating more opportunities for collegiality.

Solutions for Teacher Leadership:

1. Curriculum Solutions
 - (a) Continue to align curriculum scope and sequence with common core expectations by grade level.
 - (b) Continue to use building based meetings, half-day Tuesdays, or grade level meetings to discuss what programs or curriculums to use to address the common core as well as what to get rid of.
2. Faculty Meeting Solutions
 - Continue to post or bring to the attention of the faculty any leadership opportunities and what the process is for applying and strongly encourage people to apply.

Solutions for Student Conduct:

1. Continue to have discussions around school-wide hallway behaviors, led by the hallway committee and post these throughout the school.
2. Have a discussion about creating a method of communication among staff members to relay information about students.
3. Generate a committee to discuss school-wide expectations.
4. Continue to implement classroom-wide positive incentive systems to encourage expected behavior.
5. Continue to implement Open Circle consistently in all classrooms.

Diana, below is the most up-to-date work done by Thoreau staff regarding our yearlong work analyzing and discussing the 4 identified categories based on the TELL Mass survey data and Meg Anderson's Report. We have used each of our monthly faculty meetings to do this important work.

All staff members have had an opportunity to voice their concerns, opinions, and make suggestions for improvements. We have done this by using the SRI discussion protocols in small group sessions lead by SLT members. All data and steps we have taken have been shared with all staff members and the work we have done to date, is available for them to view in Attention Thoreau within our faculty meeting folders. These folders list all the steps we have taken and the progress we have made throughout the school year. The end result is what you see below. Staff members and the School Leadership Team(SLT) narrowed the information down to 4 categories with the most important information contained within each category. Some of the suggestions and action steps for improvement are currently being addressed and some will happen over next year and beyond.

Possible Action Steps for Thoreau Staff Based on TELL MA Data Work

1. COMMUNICATION

Spring Incident: Based on the group meeting, some staff have closure, some do not. What do these individual staff need to move toward closure? How can we help them? How can they help themselves?

Follow a communication flowchart for resolving conflicts. When you have a question, who do you go to? When you disagree with the solution, who do you go

to? Include staff, admin, and parents within the flowchart. Make a visual.

Review and discuss the district Electronic Communication Policy.

Professional responsibility for all staff to read the contents of "Attention Thoreau"

Informal, voluntary "coffees" for staff, facilitated by staff, to discuss current issues and trends for the purpose of sharing information and ideas.

Create a representative staff body to address staff needs in relation to current trends and initiatives. It is suggested that it contain one representative for each grade level, one for specialists, one for sped, coaches/Data Team members, and the principal. Rename this more-representative group from SLT to something else. The major focus of this group for 13-14 may be the new Educator Evaluation Tool, among other (similar to how the major focus of 12-13 for SLT was the TELL MA Survey)

Clearly define the tasks of each committee, and how information gets shared from the committees to all staff.

2. COLLABORATION

Create a decision-making flowchart.

Offer PD for staff needs such as RTI, new Educator Evaluation Tool, and other impending topics.

Also see suggestions listed under communication such as committee suggestions.

3. SCHOOL VISION

Investigate the "Dignity work" being looked at by the TELL Mass Committee.

Organize a coming-together of the entire staff at the beginning of the year to start the year on a positive / unified note. Gather together.

Keep the focus on student learning.

4. LEADERSHIP OPPORTUNITIES

“Spotlight on Thoreau Teams” at each faculty meeting to highlight student learning, share and celebrate (ex. Sept Grade 5, Oct Specialists, Nov Grade 2, etc..)

Rotating grade level/team reps on committees

Introduction: TELL MASS Committee meetings were two hours long. We agreed to group norms (see attached) and data norms (also attached). Aggregated input from faculty meetings at the elementary and middle schools was shared, when discussing time and trust, to help broaden the discussion. Not all of the topics included in the side letter agreement were addressed by the TELL MASS Committee. Our original plan was to address one or more topics at each of our meetings in the order they appeared in the Side Letter Agreement. However, our experience with the first topic, time, showed us that it was more important to have deep conversations about topics than to adhere to a rigid time frame. After discussing time, the group was polled to create a priority order for the remaining topics. Here is the list. The ones that were not addressed by the committee are starred:

- How much non-instructional time faculty have during the student day (Q2.1d)
- How much time faculty spend on administrative tasks (Q2.1e)
- The atmosphere of trust, mutual respect, comfort and support in the schools for all members of the faculty in their interactions with the administration and with each other (Q7.1b,c,d)
- *The degree to which faculty & leadership share a vision (Q7.1a)
- *The decision making process and the degree to which teachers are involved in it (Q6.1c, 6.1e, 6.5)
- *The effectiveness of school leadership (Q7.1)
- *The resources & time available for professional development (Q8.1a,b,e)

**Consensus finding and recommendations of TELL MASS Committee:
Regarding how much non-instructional time faculty have during the student day (Q2. 1d); how much time faculty spend on administrative tasks (Q2. 1e)**

Recommendation:

CTA will convene a committee of K5 teachers to research questions associated with non-instructional time and make recommendations to administration and school committee to address issues/concerns. At CMS, the schedule task force will incorporate evaluation of needs and use of non-instructional time along with opportunities for revision of the overall program. Administration will provide data on other districts use of time. The CTA Executive committee will determine dates to convene and present their findings. This committee's recommendations about time will go to the Administrator's Leadership team and the School Committee.

Regarding the atmosphere of trust, mutual respect, comfort, and support in the schools for all members of the faculty in their interactions with the administration and with each other (Q7 1b.c.d.)

Recommendations:

The TELL MASS committee will continue to meet monthly during the 2013-2014 school year. The committee will expand to include two representatives from each school and the administrative leadership team. The CTA President and two school committee members will continue to serve on the committee. We plan to set a schedule for meetings for next year before the end of this school year to make it easier to find common times.

In order to create a practice for all of us to follow, to build and increase trust and mutual respect, the TELL MASS Committee will:

- Read Dignity by Dr. Donna Hicks Dr. Hicks is an associate of the Weatherhead Center for International Affairs at Harvard University and a conflict resolution specialist. Dr. Hicks has taught courses in conflict resolution at Harvard, Clark, and Columbia Universities and conducts trainings and educational seminars in the US and abroad on the role dignity plays in healing and reconciling relationships in conflict. She consults to corporations, schools and non-governmental organizations. Some teachers and administrators attended Dr. Hicks' presentation on April 2 at CCHS.
- Consult with Dr. Hicks to help us use Dignity norms to manage difficult conversations and to affirm the good work that goes on across the district. TELL MASS committee training with Dr. Hicks is scheduled for September 25, 2013.
- Work with Dr. Hicks to resolve the conflict that has grown between teachers and administrators. Committee members will commit to adopt Dr. Hicks' "Dignity Model" (description is attached) with the intention of bringing it to the larger school community.

Reinstate the K5 Elementary Steering Committee and grade level teacher leaders as well as expand the CMS Leadership Team. These teacher leadership positions will allow for increased teacher “voice” in matters related to curriculum, instruction, assessments and professional development. Teacher leaders will contribute to the development of these roles in collaboration with administration.

Review and revisit past models for communication and feedback loops that were effective when they were in place. Also, look at models from other districts that are effective.

In Conclusion:

The Committee believes slow but substantial progress has been made. We are optimistic that these recommendations and future plans will have a positive impact on the climate throughout the district. These recommendations are foundational. To adequately address the other topics, the committee believes in moving ahead with the recommendations about time and trust, mutual respect, comfort and support. This approach will lay a foundation that allows for further work on the additional topics noted in the Side Letter Agreement.

RE: Adoption of new Massachusetts educator evaluation system at CPS

In September of 2008 a joint labor management committee was formed to review the existing teacher evaluation document and examine current research and best practices on teacher evaluation. The committee met off and on over the next two years. Some progress was made, common language developed, and new understandings reached. However, the work of the committee was never complete enough to bring a new evaluation system to the Association for ratification or the School Committee for approval.

On June 28, 2011, the Board of the Department of Elementary & Secondary Education (DESE) adopted new regulations for the evaluation of Massachusetts educators. On March 28, 2012, a CPS joint labor management committee convened to begin discussing the new regulations.

The committee met once in March and three times in May. The DESE model contract was reviewed and modifications were agreed upon. This collaborative effort resulted in the attached document which is proposed as Appendix C, D, E, and F to the CTA Collective Bargaining Agreement.

The new evaluation system is detailed in a two page table of contents encompassing 26 components, 10 forms, and 2 sets of rubrics. The committee agreed to all fourteen mandatory elements required by the new regulations. A subcommittee will continue working to merge the existing evaluation Article language and other references on evaluation in the Collective Bargaining Agreement with the new evaluation appendix.

We are grateful for the tireless effort displayed by committee members including Lynne Beattie, Nancy Brown, Kathy Codianne, Suzanne Cotter, Susan Erickson, Pat Fernandes, Kerry Heath, Barb Magee, Maryann Morran, Sharon Moss, Diana Rigby, and Jean Thuma. The committee was assisted by MTA representative Lisa Nazzaro and School Counsel Peter Ebb.

The CTA membership will hold a ratification vote the week of June 17th. Assuming passage, we will recommend the School Committee vote to approve the changes on evaluation to the CTA Collective Bargaining Agreement at the June 27th School Committee meeting.

1) **Purpose of Educator Evaluation**

- A) This contract language is locally negotiated and based on M.G.L., c.71, § 38; M.G.L. c.150E; the Educator Evaluation regulations, 603 CMR 35.00 et seq.; and the Model System for Educator Evaluation developed and which may be updated from time to time by the Department of Elementary and Secondary Education. See 603 CMR 35.02 (definition of model system). In the event of a conflict between this collective bargaining agreement and the governing laws and regulations, the laws and regulations will prevail.
- B) The regulatory purposes of evaluation are:
- i) To promote student learning, growth, and achievement by providing Educators with feedback for improvement, enhanced opportunities for professional growth, and clear structures for accountability, 603 CMR 35.01(2)(a);
 - ii) To provide a record of facts and assessments for personnel decisions, 35.01(2)(b);
 - iii) To ensure that every school committee has a system to enhance the professionalism and accountability of teachers and administrators that will enable them to assist all students to perform at high levels, 35.01(3); and
 - iv) To assure effective teaching and administrative leadership, 35.01(3).
- C) Further, the purpose of the Concord Public Schools evaluation is to support and promote teacher excellence and improvement through collaboration, mentoring and professional development.

- G) ***Educator Plan**: The growth or improvement actions identified as part of each Educator's evaluation. The type of plan is determined by the Educator's career stage, overall performance rating, and the rating of impact on student learning, growth and achievement. There shall be four types of Educator Plans:
 - i) **Developing Educator Plan** shall mean a plan developed by the Educator and the Evaluator for one school year or less for an Educator without Professional Teacher Status (PTS); or, at the discretion of an Evaluator, for an Educator with PTS in a new assignment.

- H) ***ESE**: The Massachusetts Department of Elementary and Secondary Education.
- I) ***Evaluation**: The ongoing process of defining goals and identifying, gathering, and using information as part of a process to improve professional performance (the "formative evaluation" and "formative assessment") and to assess total job effectiveness and make personnel decisions (the "summative evaluation").
- J) ***Evaluator**: Any person designated by a superintendent who has primary or supervisory responsibility for observation and evaluation. The superintendent is responsible for ensuring that all Evaluators have training in the principles of supervision and evaluation. Each Educator will have one primary Evaluator at any one time responsible for determining performance ratings.
 - i) **Primary Evaluator** shall be the person who determines the Educator's performance ratings and evaluation.
 - ii) **Supervising Evaluator** shall be the person responsible for developing the Educator Plan, supervising the Educator's progress through formative

assessments, evaluating the Educator's progress toward attaining the Educator Plan goals, and making recommendations about the evaluation ratings to the primary Evaluator at the end of the Educator Plan. The Supervising Evaluator may be the primary Evaluator or his/her designee.

-
- iii) **Teaching Staff Assigned to More Than One Building:** Each Educator who is assigned to more than one building will be evaluated by the appropriate administrator where the individual is assigned most of the time. - M) ***Family:** Includes students' parents, legal guardians, foster parents, or primary caregivers.
- N) ***Formative Assessment:** The process used to assess progress towards attaining goals set forth in Educator plans, performance on standards, or both. This process may take place at any time(s) during the cycle of evaluation, but typically takes place at mid-cycle.
- O) ***Formative Evaluation:** An evaluation conducted at the end of Year 1 for an Educator on a 2-year Self-Directed Growth plan which is used to arrive at a rating on progress towards attaining the goals set forth in the Educator Plan, performance on Standards and Indicators of Effective Teaching Practice, or both.
- P) ***Goal:** A specific, actionable, and measurable area of improvement as set forth in an Educator's plan. A goal may pertain to any or all of the following: Educator practice in relation to Performance Standards, Educator practice in relation to indicators, or specified improvement in student learning, growth and achievement. Goals may be developed by individual Educators, by the Evaluator, or by teams, departments, or groups of Educators who have the same role.
- Q) ***Measurable:** That which can be classified or estimated in relation to a scale, rubric, or standards.
- R) **Multiple Measures of Student Learning:** Measures must include a combination of classroom, school and district assessments, student growth percentiles on state assessments, if state assessments are available, and student MEPA gain scores. This definition may be revised as required by regulations or agreement of the parties upon issuance of ESE guidance expected by July 2012.
- S) **New Assignment:** Teaching under a different license or in a different school.

-
- T) ***Observation:** A data gathering process that includes notes and judgments made during one or more classroom or worksite visits(s) of any duration by the Evaluator and may include examination of artifacts of practice including student work. An observation may occur in person or through video. Video observations will be done openly and with knowledge of the Educator. The parties agree to bargain the protocols of video observations should either party wish to adopt such practice. Classroom or worksite observations conducted pursuant to this article must result in feedback to the Educator. Normal supervisory responsibilities of department, building and district administrators will also cause administrators to drop in on classes and other activities in the worksite at various times as deemed necessary by the administrator. Carrying out these supervisory responsibilities, when they do not result in targeted and constructive feedback to the Educator, are not observations as defined in this Article.
- U) **Parties:** The parties to this agreement are the local school committee and the employee organization that represents the Educators covered by this agreement for purposes of collective bargaining ("Employee Organization/Association").
- V) ***Performance Rating:** Describes the Educator's performance on each performance standard and overall. There shall be four performance ratings:
- Exemplary: the Educator's performance consistently and significantly exceeds the requirements of a standard or overall. The rating of exemplary on a standard indicates that practice significantly exceeds proficient and could serve as a model of practice on that standard district-wide.
 - Proficient: the Educator's performance fully and consistently meets the requirements of a standard or overall. Proficient practice is understood to be fully satisfactory.
 - Needs Improvement: the Educator's performance on a standard or overall is below the requirements of a standard or overall, but is not considered to be unsatisfactory at this time. Improvement is necessary and expected.
 - Unsatisfactory: the Educator's performance on a standard or overall has not significantly improved following a rating of needs improvement, or the Educator's performance is consistently below the requirements of a standard or overall and is considered inadequate, or both.
- W) ***Performance Standards:** Locally developed standards and indicators pursuant to M.G.L. c. 71, § 38 and consistent with, and supplemental to 603 CMR 35.00. The parties may agree to limit standards and indicators to those set forth in 603 CMR 35.03.

- Y) **Rating of Educator Impact on Student Learning:** A rating of high, moderate or low based on trends and patterns on state assessments and district-determined measures. The parties will negotiate the process for using state and district-determined measures to arrive at an Educator's rating of impact on student learning, growth and achievement, using guidance and model contract language from ESE, expected by July 2012.

-
- Z) **Rating of Overall Educator Performance:** The Educator's overall performance rating is based on the Evaluator's professional judgment and examination of evidence of the Educator's performance against the four Performance Standards and the Educator's attainment of goals set forth in the Educator Plan, as follows:
- i) Standard 1: Curriculum, Planning and Assessment
 - ii) Standard 2: Teaching All Students

 - iv) Standard 4: Professional Culture
 - v) Attainment of Professional Practice Goal(s)
 - vi) Attainment of Student Learning Goal(s)

Teachers may include, for example, classroom teachers, librarians, guidance counselors, or school nurses.
- FF) ***Trends in student learning:** At least two years of data from the district-determined measures and state assessments used in determining the Educator's rating on impact on student learning as high, moderate or low.

3) **Evidence Used In Evaluation**

The following categories of evidence shall be used in evaluating each Educator:

These measures may include: portfolios, approved commercial assessments and district-developed pre and post unit and course assessments, and capstone projects. One such measure shall be the MCAS Student Growth Percentile (SGP) or Massachusetts English Proficiency Assessment gain scores, if applicable, in which case at least two years of data is required.
 - iii) Measures of student progress and/or achievement toward student learning goals set between the Educator and Evaluator for the school year or some other period of time established in the Educator Plan.
 - iv) For Educators whose primary role is not as a classroom teacher, the appropriate measures of the Educator's contribution to student learning, growth, and achievement set by the district. The measures set by the district should be based on the Educator's role and responsibility.
- B) Judgments based on observations and artifacts of practice including:

4) **Rubric**

The rubrics are a scoring tool used for the Educator’s self-assessment, the formative assessment, the formative evaluation and the summative evaluation. The districts may use either the rubrics provided by ESE or comparably rigorous and comprehensive rubrics developed or adopted by the district and reviewed by ESE. Initial rubrics are attached. [ESE provided-rubrics to be attached].

5) **Evaluation Cycle: Training**

- A) Prior to the implementation of the new evaluation process contained in this article, districts shall arrange training for all Educators, principals, and other evaluators that outlines the components of the new evaluation process and provides an explanation of the evaluation cycle. The district through the superintendent shall determine the type and quality of training based on guidance provided by ESE.
- B) By November 1st of the first year of this agreement, all Educators shall complete a professional learning activity about self-assessment and goal-setting satisfactory to the superintendent or principal. Any Educator hired after the November 1st date, and who has not previously completed such an activity, shall complete such a professional learning activity about self-assessment and goal-setting within three months of the date of hire. The district through the superintendent shall determine the type and quality of the learning activity based on guidance provided by ESE and on any input provided by the Joint Labor Management Committee.

6) **Evaluation Cycle: Annual Orientation**

- A) At the start of each school year, the superintendent, principal or designee shall conduct a meeting for Educators and Evaluators focused substantially on educator evaluation. The superintendent, principal or designee shall:
- i) Provide an overview of the evaluation process, including goal setting and the educator plans.
 - ii) Provide all Educators with directions for obtaining a copy of the forms used by the district. These may be electronically provided.
 - iii) The faculty meeting may be digitally recorded to facilitate orientation of Educators hired after the beginning of the school year, provided that an announcement is made prior to the beginning of the meeting that recording will occur.

7) **Evaluation Cycle: Self-Assessment**

A) **Completing the Self-Assessment**

- i) The evaluation cycle begins with the Educator completing and submitting to the Primary or Supervising Evaluator a self-assessment by October 1st, except for the first year of this agreement when it shall be completed by November 1st, or within four weeks of the start of their employment at the school.
- ii) The self-assessment includes:
 - (a) An analysis of evidence of student learning, growth and achievement for students under the Educator's responsibility.
 - (b) An assessment of practice against each of the four Performance Standards of effective practice using the district's rubric.
 - (c) Proposed goals to pursue:
 - (1st) At least one goal directly related to improving the Educator's own professional practice.
 - (2nd) At least one goal directed related to improving student learning.

B) **Proposing the goals**

Educators may meet with teams to consider establishing team goals. Evaluators may participate in such meetings.
- ii) For Educators in their first year of practice, the Evaluator or his/her designee will meet with each Educator by October 1st (or within four weeks of the Educator's first day of employment if the Educator begins employment after September 15th) to assist the Educator in completing the self-assessment and drafting the

professional practice and student learning goals which must include induction and mentoring activities.

In addition, these Educators may include individual professional practice goals that address enhancing skills that enable the Educator to share proficient practices with colleagues or develop leadership skills.
- v) For Educators with PTS and ratings of needs improvement or unsatisfactory, the professional practice goal(s) must address specific standards and indicators identified for improvement. In addition, the goals may address shared grade level or subject area team goals.

8) Evaluation Cycle: Goal Setting and Development of the Educator Plan

- A) Every Educator has an Educator Plan that includes, but is not limited to, one goal related to the improvement of practice; one goal for the improvement of student learning. The Plan also outlines actions the Educator must take to attain the goals established in the Plan and benchmarks to assess progress. Goals may be developed by individual Educators, by the Evaluator, or by teams, departments, or groups of Educators who have the similar roles and/or responsibilities. See Sections 15-19 for more on Educator Plans.
- B) To determine the goals to be included in the Educator Plan, the Evaluator reviews the goals the Educator has proposed in the Self-Assessment, using evidence of Educator performance and impact on student learning, growth and achievement based on the Educator's self-assessment and other sources that Evaluator shares with the Educator. The process for determining the Educator's impact on student learning, growth and achievement will be determined after ESE issues guidance on this matter. See #22, below.
- C) Educator Plan Development Meetings shall be conducted as follows:
 - i) Educators in the same school may meet with the Evaluator in teams and/or individually at the end of the previous evaluation cycle or by October 15th of the next academic year to develop their Educator Plan. Educators shall not be expected to meet during the summer hiatus.

- i) The Educator shall have at least three unannounced observations during the school year.

10) **Evaluation Cycle: Observation of Practice and Examination of Artifacts – Educators with PTS**

- A) The Educator whose overall rating is proficient or exemplary must have at least one unannounced observation during the evaluation cycle.
- B) The Educator whose overall rating is needs improvement must be observed according to the Directed Growth Plan during the period of Plan which must include at least two unannounced observations.
- C) The Educator whose overall rating is unsatisfactory must be observed according to the Improvement Plan which must include both unannounced and announced observation. The number and frequency of the observations shall be determined by the Evaluator, but in no case, for improvement plans of one year, shall there be fewer than one announced and four unannounced observations. For Improvement Plans of six months or fewer, there must be no fewer than one announced and two unannounced observations.

11) **Observations**

Observations required by the Educator Plan should be completed by May 15th. The Evaluator may conduct additional observations after this date.

The Evaluator is not required nor expected to review all the indicators in a rubric during an observation.

A) Unannounced Observations

 - (4th) State that the Educator is responsible for addressing the need for improvement.

12) **Evaluation Cycle: Formative Assessment**

- A) A specific purpose for evaluation is to promote student learning, growth and achievement by providing Educators with feedback for improvement. Evaluators are expected to make frequent unannounced visits to classrooms. Evaluators are expected to give targeted constructive feedback to Educators based on their observations of practice, examination of artifacts, and analysis of multiple measures of student learning, growth and achievement in relation to the Standards and Indicators of Effective Teaching Practice.
- B) Formative Assessment may be ongoing throughout the evaluation cycle but typically takes places mid-cycle when a Formative Assessment report is completed. For an Educator on a two-year Self-Directed Growth Plan, the mid-cycle Formative Assessment report is replaced by the Formative Evaluation report at the end of year one. See section 13, below.
- C) The Formative Assessment report provides written feedback and ratings to the Educator about his/her progress towards attaining the goals set forth in the Educator Plan, performance on Performance Standards and overall, or both
- D) By the deadline established in the applicable timeline set forth in section 20, below, the Educator shall provide to the Evaluator evidence of family outreach and engagement, fulfillment of professional responsibility and growth, and progress on attaining professional practice and student learning goals. 13) **Evaluation Cycle: Formative Evaluation for Two Year Self-Directed Plans Only**

- A) Educators on two year Self-Directed Growth Educator Plans receive a Formative Evaluation report near the end of the first year of the two year cycle. The Educator's performance rating for that year shall be assumed to be the same as the previous summative rating unless evidence demonstrates a significant change in performance in which case the rating on the performance standards may change, and the Evaluator may place the Educator on a different Educator plan, appropriate to the new rating.
- B) The Formative Evaluation report provides written feedback and ratings to the Educator about his/her progress towards attaining the goals set forth in the Educator Plan, performance on each performance standard and overall, or both.
- C) By the deadline established in the applicable timeline set forth in Section 20 below, the Educator shall provide to the Evaluator evidence of family outreach and engagement, fulfillment of professional responsibility and growth, and progress on attaining professional practice and student learning goals. - B) The Evaluator determines a rating on each standard and an overall rating based on the Evaluator's professional judgment, an examination of evidence against the Performance Standards and evidence of the attainment of the Educator Plan goals.
- C) The professional judgment of the primary evaluator shall determine the overall summative rating that the Educator receives.
- D) For an educator whose overall performance rating is exemplary or proficient and whose impact on student learning is low, the evaluator's supervisor shall discuss and review the rating with the evaluator and the supervisor shall confirm or revise the educator's rating. In cases where the superintendent serves as the primary evaluator, the superintendent's decision on the rating shall not be subject to review.
- E) The summative evaluation rating must be based on evidence from multiple categories of evidence. MCAS Growth scores shall not be the sole basis for a summative evaluation rating.

- G) No less than four weeks before the due date for the Summative Evaluation report, which due date shall be established by the Evaluator with written notice provided to the Educator, the Educator will provide to the Evaluator evidence of family outreach and engagement, fulfillment of professional responsibility and growth, and progress on attaining professional practice and student learning goals. The educator may also provide to the evaluator additional evidence of the educator's performance against the four Performance Standards.
- H) The Summative Evaluation report should recognize areas of strength as well as identify recommendations for professional growth.

-
- I) The Evaluator shall deliver a signed copy of the Summative Evaluation report to the Educator face-to-face, by email or to the Educator's school mailbox or home no later than May 15th.
 - J) The Evaluator shall meet with the Educator rated needs improvement or unsatisfactory to discuss the summative evaluation. The meeting shall occur by June 1st.
 - K) The Evaluator may meet with the Educator rated proficient or exemplary to discuss the summative evaluation, if either the Educator or the Evaluator requests such a meeting. The meeting shall occur by June 10th.
 - L) Upon mutual agreement, the Educator and the Evaluator may develop the Self-Directed Growth Plan for the following two years during the meeting on the Summative Evaluation report.
 - M) The Educator shall sign the final Summative Evaluation report by June 15th. The signature indicates that the Educator received the Summative Evaluation report in a timely fashion. The signature does not indicate agreement or disagreement with its contents.

16) **Educator Plans: Developing Educator Plan**

- A) The Developing Educator Plan is for all Educators without PTS, and, at the discretion of the Evaluator, Educators with PTS in new assignments.
- B) The Educator shall be evaluated at least annually.

17) **Educator Plans: Self-Directed Growth Plan**

- A) A Two-year Self-Directed Growth Plan is for those Educators with PTS who have an overall rating of proficient or exemplary, and after 2013-2014 whose impact on student learning is moderate or high. A formative evaluation report is completed at the end of year 1 and a summative evaluation report at the end of year 2.
- B) A One-year Self-Directed Growth Plan is for those Educators with PTS who have an overall rating of proficient or exemplary, and after 2013-2014 whose impact on student learning is low. In this case, the Evaluator and Educator shall analyze the discrepancy between the summative evaluation rating and the rating for impact on student learning to seek to determine the cause(s) of the discrepancy.

19) **Educator Plans: Improvement Plan**

- A) An Improvement Plan is for those Educators with PTS whose overall rating is unsatisfactory.

-
- B) The parties agree that in order to provide students with the best instruction, it may be necessary from time to time to place an Educator whose practice has been rated as unsatisfactory on an Improvement Plan of no fewer than 30 school days and no more than one school year. In the case of an Educator receiving a rating of unsatisfactory near the close of one school year, the Improvement Plan may include activities that occur during the summer before the next school year begins.
- C) The Evaluator must complete a summative evaluation for the Educator at the end of the period determined by the Evaluator for the Plan.
- D) An Educator on an Improvement Plan shall be assigned a Supervising Evaluator (see definitions). The principal's decision is subject to review and approval by the superintendent.
- B) In order to qualify to apply for a teacher leader position, the Educator must have had a Summative Evaluation performance rating of proficient or exemplary for at least the previous two years.
- C) Educators with PTS whose summative performance rating is exemplary and, after 2013-14 whose impact on student learning is rated moderate or high, shall be recognized and rewarded with leadership roles, promotions, additional compensation, public commendation or other acknowledgement as determined by the district through collective bargaining where applicable.

22. Rating Impact on Student Learning Growth

ESE will provide model contract language and guidance on rating educator impact on student learning growth based on state and district-determined measures of student learning. Upon receiving this model contract language and guidance, the parties agree to bargain with respect to this matter.

23. Using Student feedback in Educator Evaluation

ESE will provide model contract language, direction and guidance on using student feedback in Educator Evaluation by June 30, 2013. Upon receiving this model contract language, direction and guidance, the parties agree to bargain with respect to this matter.

Appendix F: Forms for Educator Evaluation

Overview of Forms

The forms included in this Appendix are suggested templates, provided as tools to support educators and evaluators as they implement the new educator evaluation framework. For all of these forms, additional pages may be attached as needed.

- **Educator Tracking Sheet.** This form is intended to be used to track the completion of each step throughout the educator's evaluation process. It will be completed by the educator in conjunction with his/her primary (and possibly supervising) evaluator.
- **Self-Assessment Form.** This form is intended to be used in support of Step 1: Self-Assessment, the educator's initial step of the cycle. The form can be used by individuals or teams; however, each individual will need to submit a self-assessment. Evaluators sign the form to indicate receipt. The form includes sections for the educator to complete an analysis of student learning, growth, and achievement and an assessment of practice against performance standards. Submission of this form will be noted and initialed on the **Educator Tracking Sheet**.
- **Goal Setting Form.** This form is intended to be used in support of Step 1: Self-Assessment and Step 2: Goal Setting and Plan Development. Individuals and teams may use this form to propose goals (a minimum of one student learning goal and one professional practice goal). The form should initially be submitted with the Self-Assessment Form with the box "Proposed Goals" checked. If the goals are approved as written, the evaluator will check the box "Final Goals" and include a copy of the form with the **Educator Plan Form**. If the goals undergo further refinement, edits may be made to the original, or the form may be rewritten. If the form is redone, the new form should have the box "Final Goals" checked and should then be attached to the **Educator Plan Form**. Submission of this form will be noted and initialed on the **Educator Tracking Sheet**.
- **Educator Plan Form.** This form is intended to be used in support of Step 2: Goal Setting and Plan Development. It will either be completed by the educator for a *Self-Directed Growth Plan*, by the educator and the evaluator together for a *Directed Growth Plan* and a *Developing Educator Plan*, and by the evaluator for an *Improvement Plan*. Completion and/or submission of this form will be noted and initialed on the **Educator Tracking Sheet**.
- **Evaluator Record of Evidence Form.** This form is intended to be used by the evaluator in gathering evidence of an educator's practice during Step 3: Implementation of the Plan. It will be completed by the evaluator and may be reviewed by the educator at any time.
- **Educator Collection of Evidence Form.** This form is intended to be used to support the educator in collecting evidence of his/her practice. It will be completed by the educator and shared with the evaluator prior to Formative Assessment/Evaluation and Summative

**CONCORD PUBLIC SCHOOLS
CONCORD-CARLISLE REGIONAL SCHOOL DISTRICT**

- **Formative Assessment Report Form.** This form is intended to be used in support of an educator's formative assessment (Step 4) at the mid-point of the evaluation cycle, at minimum; it can be used multiple times as Formative Assessment can be ongoing. It will be completed by the evaluator. Evaluators are not required to assess both progress toward goals and performance on Standards; they will check off whether they are evaluating "Progress toward Attaining Goals," "Performance on each Standard," or both. Evaluators will provide a brief narrative of progress that includes feedback for improvement. Educators sign off to indicate that they have received a copy of the report and may use the **Educator Response Form** to provide a written response. Completion of this form will be noted and initialed on the **Educator Tracking Sheet**.
- **Formative Evaluation Report Form.** This form is intended to be used in support of an educator's formative evaluation at the end of year one of a two-year *Self-Directed Growth Plan*. It will be completed by the evaluator. Evaluators are not required to assess both progress toward goals and performance on Standards; they will check off whether they are evaluating "Progress toward Attaining Goals," "Performance on each Standard," or both. Evaluators will provide a brief narrative of progress that includes feedback for improvement. At the point of Formative Evaluation, the overall rating is assumed to be the same as the prior summative evaluation unless evidence demonstrates a significant change in performance leading to a change in Overall Rating and, possibly, Educator Plan. If there is a change in rating, evaluators must provide comments on each of the four Standards briefly describing *why* the rating has changed, the *evidence* that led to a change in rating, and offering *feedback for improvement* (evaluators are encouraged to provide comments even if there is no change to ensure that educators have a clear sense of their progress and performance and receive feedback for improvement). Educators sign off to indicate that they have received a copy of the report and may use the **Educator Response Form** to provide a written response. Completion of this form will be noted and initialed on the **Educator Tracking Sheet**.
- **Summative Evaluation Report Form.** This form is intended to be used for Step 5: Summative Evaluation. This form applies to all Educator Plans. It will be completed by the evaluator. The evaluator must complete all sections, which are: "Attainment of Student Learning Goal(s)," "Attainment of Professional Practice Goal(s)," "Rating on each Standard," "Overall Performance Rating," and "Plan Moving Forward." Evaluators must provide comments on the student learning goal(s), professional practice goal(s), each of the four Standards, and the overall rating briefly describing the level of attainment or performance rating, the *evidence* that led to the level of attainment/rating, and offering *feedback for improvement*. Educators sign off to indicate that they have received a copy of the report and may use the **Educator Response Form** to provide a written response. Completion of this form will be noted and initialed on the **Educator Tracking Sheet**.
- **Educator Response Form.** This form is intended to be used in support of the educator, should he/she want to have a formal response to any part of the evaluation process kept on record. It will be completed by the educator; the evaluator will sign to acknowledge receipt. If the form is submitted in response to the Formative Assessment/Evaluation or to the Summative Evaluation, receipt of the response will also be noted and initialed on the **Educator Tracking Sheet**.

June 1, 2013

TO: School Committees
FROM: Diana F. Rigby, Superintendent
RE: FY13 Goals Progress Report

A. PROFESSIONAL PRACTICE GOAL

GOAL: By June 2013, communication strategies will be increased and varied for responding to disagreement and dissent, constructively resolving conflict, and building consensus throughout the school community.

Key Actions and Progress:

- 1. Lead principals and faculties to discuss TELL Mass data and implement site actions to improve teacher and school leadership conditions.**
 - K8 Principals and faculties have met monthly in faculty and building-based meetings to analyze TELL Mass data. The principals and their data team leaders teams participated in the RBT Data Coach training to develop their skills in assisting teachers with data analysis. The principals used protocols from the *School Reform Initiative – A Community of Learners* to build the skills and culture necessary for reflective dialogue and collaborative work. Using these protocols builds trust as faculties engage in conversations characterized by reflection, participation equity, quality analysis and inquiry. At each school, principals and the faculties worked together to build a common understanding of the survey results and the factors associated with the teacher and school leadership conditions, and to develop recommendations for improvements in these conditions. (Please see attachment #1 for the list of recommendations from each school site.)
 - The CCHS principal has met monthly with the CCTA leadership and 3x with the entire faculty to discuss the TELL Mass survey results. Additionally, two volunteer faculty meetings were held to solicit teacher feedback on issues of student behavior and school climate that were identified in the survey. The following recommendations have been generated from these school wide meetings: revise the collaborative decision making process for school wide decisions, continue to provide structured opportunities for teachers to acknowledge improvements and to voice concerns during faculty meetings, continue to collaborate with CCTA leadership to identify school wide issues, and follow an explicit process of allowing time for the school's leadership team (Department Chairs) to bring ideas and initiatives back to their departments for input.
