

2018-2019 CCHS Campus Oversight Subcommittee of the Concord-Carlisle Regional School Committee

The CCHS Campus Oversight Subcommittee will be comprised of three School Committee members to include one from Carlisle and two from Concord. A simple majority of Subcommittee members will constitute a quorum for voting purposes. The Subcommittee will meet on an ongoing basis and be subject to all the rules and regulations of the School Committees, including Open Meeting Law.

The CCHS Campus Oversight Subcommittee Charge:

1. To review remaining items from previous CCHS Building Project and CC@Play Projects.
2. To review additional functional and educational needs for Warrant Articles, including but not exclusively, the potential for funding of design and engineering work in alignment with considered needs.
3. To consider relevant engineering work and design options of functional and educational needs, including but not exclusively, the recommendations of the CCHS Campus Advisory Committee for future needs
4. To review and make recommendations to the full Regional School Committee on functional and educational projects, their timeline, and their funding as needed
5. To liaison with all the Town departments as to all permitting as necessary.
