

The School Committees Report: Updated School Calendar; Upcoming School Committee Meetings

School Calendar Update

The School Committees voted to update the school calendar for the 2020-21 school year at their last meeting held on November 17th. The Committees have been approving updates to the calendar in stages as they manage the on-going COVID-19 crisis. This latest vote updates the calendar through the end of the school year in June of 2021 and outlines professional days for staff as well as teacher conferences.

These updates include a professional day for CCHS teachers and staff on Monday, January 25th as well as professional development days for both CPS and CCHS on Monday, March 8th and Friday, March 26th. On Wednesday, April 7th, there will be teachers' conferences for CPS grades K-5. There will be a professional day for CMS and CCHS on Monday, May 3rd and K-12 on Friday May 28th and Wednesday June 16th. The last day of school for students will be Tuesday, June 15th and with remote teaching capacity available there will be not be off days due to weather days so the last day of school is certain.

Upcoming days of note include a staff professional day on December 11th, CMS conferences on December 15th, and the winter recess begins with a half-day on December 23rd. Classes resume in the new year on Monday, January 4th.
