

 **Close Contact with COVID-19 Infection and You Are Asymptomatic?**

- Exempt from Testing and Quarantine:*
- **Asymptomatic, fully vaccinated**
 - **Classroom close contacts** provided both individuals were masked and at least 3 feet apart
 - **Bus close contacts** provided individuals were masked and bus windows were open
 - **Had COVID within the past 90 days**

Are you exempt from testing and quarantine?

NO

YES

Protocol B-1:
Test and Stay
recommended option

Duration is 7 days. Testing is on school days + any extracurricular weekend days

Remain in school so long as you are asymptomatic and:

- Wear a mask in school at all times, other than when eating or drinking (keep 3' distance when unmasked to the extent feasible).
- Test negative daily on school days and any weekend days for extracurricular activities (weekend tests = eMed Take Home Test)
- Quarantine at home on non-school/extracurricular days
- Monitor symptoms through day 14

Protocol B-2
Traditional Protocol

Return to school on day 8 provided you:

1. Remain asymptomatic
2. Receive negative COVID PCR or rapid antigen test on **day 5 or later**
3. Monitor symptoms through **day 14**

Please Note: If not following Test and Stay, this is the preferred option to cut down on a student's absence from school.

Remain in School
