Concord and Concord-Carlisle Regional School District Vision of Student Learning

- I am a student in Concord Public Schools and Concord Carlisle High School.
My safe learning environment is created by respectful relationships with my teachers and my peers.
My teachers are knowledgeable, highly skilled and passionate.
My teachers care about me by affirming me, giving me useful feedback, and working with me individually when I need it.
I am learning important content based on agreed upon standards, clear goals, and real world applications.
My learning experiences are engaging, enjoyable, and challenging.
My learning experiences vary from one another (individual vs. group work; creative vs. repetitive practice; novel vs. known; digital vs. traditional; personal choice vs. consistent topic).
I am learning how to learn by staying organized, breaking down assignments, managing my time, using all available resources, and always giving my best effort.
I take risks, learn from my mistakes, and know every day that I am growing.
When I struggle, I continue to grow and learn.
With hard work, I will be prepared for higher learning, the work world, and knowledgeable citizenship in my community and the wider world.

I am a student in Concord Public Schools and Concord Carlisle High School.
