Re: Concord Middle School Project, Concord MA

To: Concord Middle School Building Committee

The Concord Water Department has determined that the following exterior drinking fountain for the new Concord Middle School be specified as a proprietary item:

Category	Brand	Series/Model
Exterior Drinking Fountain	Elkay	ezH2O Upper Bottle Filling Station Bi-Level Pedestal, Non Filtered Non-Refrigerated - LK4420BF1U – grey, with Direct Bury Adaptor - 97890C, and Locking Hose Bib - LK4471LHB – grey

The Town currently utilizes this model for all town owned exterior drinking fountains. It would be in the best interest of the Town to utilize this manufacturer for maintenance and training purposes.

If you have any questions or concerns regarding this matter, please contact our office at your earliest convenience.
