Re: Concord Middle School Project, Concord MA

To: Concord Middle School Building Committee

The Concord School Facilities Department has determined that the following door hardware for the new Concord Middle School be specified as a proprietary item:

Category	Brand	Series/Model
Commercial Locks	Schlage	ND75PD (key on inside and out)

The Town currently utilizes Schlage locks as its standard. It would be in the best interest of the Town to utilize this manufacturer for ease of use and familiarity as well as maintenance and training.
