

Concord and Concord Carlisle Regional School Committee
School Committee Goals
2023-2024

Goal #1: The Joint School Committees will evaluate student success to ensure that the district commitments yield the student achievement, growth and success articulated in the five year strategic plan.

Goal #2: The Joint School Committees will evaluate areas of DEIB to ensure that our district commitments demonstrate progress toward our vision of an equitable, inclusive and anti-racist community in Concord and Concord-Carlisle schools.

Goal #3: The Concord Carlisle Regional School Committee will evaluate our high school campus. The Concord Carlisle Regional School committee will utilize the report from the CCHS Campus Advisory Committee in order to make recommendations.

Goal #4: The Concord School Committee will conduct a comprehensive facilities study of the three elementary schools and Ripley building in order to develop an updated capital plan.

Goal #5: The Joint School Committees will ensure that the district provides the necessary programs and services to support student mental health, which we recognize as a required precursor for academic achievement.
